Schools, Charities and Government

AVG supports schools, charities and government organizations, which are typically under tight budget constraints, by offering discounts on our AVG products. The discount amount offered can be significant but is left to AVG's discretion depending on the type of organization. Proof of status is required from the organization and will be verified by AVG.

For more information about AVG or to locate a reseller near you, visit www.avg.com.

Here's how AVG's home computer protection compares:

AVG Business Solutions: Smart Protection for your Business that Won't Get in your Way		AVG Anti-Virus 9.0 Business Edition	AVG Internet Security 9.0 Business Edition
SMARTER SECURITY THAT WON'T SLOW YOUR BUSINESS DOWN			
NEW high speed anti-virus/ anti-spyware scanner	Keeps your business running smoothly and your PCs free from viruses, spyware, worms, Trojans and other threats. Now 50% faster!	•	•

Anti-spyware	Prevents unauthorized access to your company's information by spyware and adware	•	•
Anti-spam server protection	Protection for your anti-spam server		•
Email server protection	High efficiency anti-virus and anti-spyware protection for your Windows email server		•
Anti-Rootkit	Extra-strength removal technology to root out even the toughest and most sophisticated threats	•	•
Expert Support	Free assistance whenever you need it	•	•

All AVG products give you:

- ✓ Free automatic updates and version upgrades¹
- ✓ Hassle-free security that won't slow you down²

And if you ever need help with your AVG protection, just head on over to our support website at <http://www.avg.com/support> and our experts will get you back on track – fast.

¹ For the term of your license.

² All security software uses memory and processor power, and can therefore result in slower system performance. AVG has been built to minimize these effects.
